Dear Sir,

Your esteemed favor of the 8th inst enclosing Bank check for \$202.⁰⁰/₁₀₀ and annexing my ac with you & your receipt to close the same reached me today. I have given the check to Mr Trisbie & showed him the ac with the letter. We are both satisfied with your management. The acct appears correct. Mr Trisbie thinks Cronin will pay the balance of the note which you have in suit because it will be for his (Cronin's) interest to do so.

Be assured I shall always remember you when I can throw any business in your way. The next season I shall probably return to the South.

Present my best respects to your father & his family and believe me.

Very respy

Your friend
